

## Meet Your Tower Controller

This seminar offers the opportunity to discuss the latest airport safety issues with TOP and FOE Airport Tower Controllers. We will also discuss aviation automation technology and how it can quickly change from assistant to adversary.

**Directions:** This seminar will be held in the Air Explorer Post 8 located in hangar #15 at Phillip Billard airport (TOP). Enter the airport on NE Sardou Ave, turn left (north) after passing the terminal parking lots and drive to the last hangar on the right.

### A message from the National FAASTeam Manager
